

PUBLIC HEARING ANNOUNCEMENT

You are invited to a Public Hearing for Florida's Turnpike (SR 91) Widening from Jupiter (Indiantown Road/SR 706) to Ft. Pierce (Okeechobee Road/SR 70) Project Development and Environment (PD&E) Study, to be held on **July 22, 2021 starting at 5:30 p.m.** There are three participation options to select from:

Option 1	Option 2	Option 3
In-Person	Virtual / online via a computer, tablet or smartphone	By telephone in listen-only mode

Please visit the project website, www.TreasureCoastTurnpike.com to register for the Public Hearing and to select your desired participation option. ** Please note that registration works best in Google Chrome, Microsoft Edge, or Firefox web browser. ** All attendees will participate in the same live virtual Public Hearing.

PUBLIC HEARING MATERIALS

All materials that will be on display at the in-person location are available for review now on the project website, www.TreasureCoastTurnpike.com, in the Public Hearing Exhibit Room. This includes an informational video that provides a project overview, a tutorial of how to navigate the project website and an overview of the hearing materials. This video will also play continuously from 5:30 p.m. to 6:00 p.m. on the day of the hearing. A recording of the entire Public Hearing will be posted to the project website under the 'Documents' section on July 26, 2021. Please contact the Project Manager, Brian Ribaric, with questions.

PROPOSED IMPROVEMENTS

Currently, Florida's Turnpike (SR 91) is a four (4) lane limited access toll facility. Proposed improvements include widening of Florida's Turnpike (SR 91) from four to eight lanes by adding two additional lanes in each direction. Improvements to four existing interchanges, located at SW Martin Highway, SE Becker Road, SW Port St. Lucie Boulevard, and Okeechobee Road, and the addition of two new interchanges, located at Crosstown Parkway and W Midway Road, will also be undertaken as part of this study. The project limits and in-person hearing venue locations are shown on the project location map, to the left. Numerous bridge structures along the roadway will be widened or reconstructed. The project corridor includes crossings of the Loxahatchee River and St. Lucie Canal.

PROJECT DOCUMENTS

Draft documents can also be viewed at the Havert L. Fenn Center, 2000 Virginia Avenue, Fort Pierce, FL 34982 and at the Clare & Gladys Wolf High-Technology Center, at Indian River State College, 2400 SE Salerno Road, Stuart, FL 34997, Monday through Friday from 9:00 a.m. to 5:00 p.m. starting on Thursday, July 1, 2021 until Monday, August 11, 2021. Draft project documents are also available now for public review on the project website www.TreasureCoastTurnpike.com and will be available at the physical locations where the in-person Public Hearing is held.

QUESTIONS & COMMENTS

Please contact the Project Manager, Brian Ribaric, before or after the Public Hearing during regular business hours with questions or comments about the project. While comments and questions will be accepted at any time, those submitted or mailed by August 11, 2021 will become part of the Public Hearing Record for the study.

Public participation is solicited without regard to race, color, national origin, age, sex, religion, disability, or family status. Persons who require special accommodations under the Americans with Disabilities Act or persons who require translation services (free of charge) should contact Brian Ribaric at (407) 264-3095 or by email at Brian.Ribaric@dot.state.fl.us at least seven days (7) prior to the meeting.
