Obtaining Access to ProjectSolve^{SP}

To request access for ProjectSolve^{SP}, if your project is a Turnpike project, contact TPKPSSPSupport@dot.state.fl.us.

If your project is a District or Maintenance Project, contact the Project Manager, who will coordinate with the Shop Drawing Review Office for coordination on your project. They will need all project team members' names, titles, email addresses and their discipline review responsibility and/or association with a specific project.
